THE BUDDHA AND THE SERPENT SATAN – 666

Just as the Serpent Satan deceived Eve in the Garden of Eden by convincing her that through the knowledge of good and evil she could obtain all wisdom/Nirvana (but he lied to her and it brought death into the world), so he deceived the Buddha, whom he came to deceive in his weakened state – for the Buddha had been fasting for 6 weeks when the serpent came to deceive him, just as he came to Jesus Christ in the desert, after he had fasted 40 days and 40 nights – but the Lord God Jesus Christ is the only one he could not deceive.

2 Corinthians 11:3 ...the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ. Genesis 3:3 But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. Genesis 3:4 And the serpent said unto the woman, Ye shall not surely die: Genesis 3:5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.
King James Bible

Mucalinda, Muchalinda or Mucilinda is the name of a naga (a snake like being), who protected the Buddha from the elements after his enlightenment.

It is said that four weeks after the Buddha began meditating under the Bodhi Tree, the heavens darkened for seven days, and a prodigious rain descended. However, the mighty king of serpents, Mucalinda, came from beneath the earth and protected with his hood the one who is the source of all protection. When the great storm had cleared, the serpent king assumed his human form, bowed before the Buddha, and returned in joy to his palace.
